Dear Parents/Carers

Please read the letter below from the Aldridge Neighbourhood Police Team regarding **parking issues**

Thank you

Mrs A Edwards

As life begins to gradually get back to normal we are once again being made aware of the parking issues that each school within our neighbourhood are facing. As your neighbourhood policing team we have already received numerous complaints from local residents that are affected by these issues. As part of our continued commitment to traffic related issues surrounding schools we have been actively patrolling the roads in the vicinity of your school and will continue to do so. The following will be addressed

- passengers not wearing seatbelts/children incorrectly restrained in car seat
- obstruction of residents driveways by waiting/parking
- parking/waiting on white zig zag lines
- obstruction of public footpath
- parking/waiting on 'Keep Clear' markings
- double parking
- parking/waiting/obstructing school entrance /exit drives
- performing a dangerous manoeuvre in the road at a busy time (3 point turn, reversing on to pavement etc)
- Excess speed
- parking/waiting/drop off/pick up on double or single yellow lines
- vehicle parking too close to junction causing obstruction of view to other motorists

These driving offences will not be tolerated and this letter will serve as a warning that should any of these offences be observed then the driver will be subject to prosecution.

This is to maintain the safety of all those who live by/work at or access your school.

Please note that blue disabled badges do not exempt drivers from road traffic law but they can be taken into consideration by the reporting officer. If parking using the blue badge please do so with thought for others safety and access.

Thank you for consideration in this matter.
