

# Yearly overview

## Year 1/2

Autumn	Spring	Summer
<p><b>Mucks, Mess and Mixtures</b></p> <p>Dive in and get your hands and feet all sticky and covered in paint. Play with liquids, squish some dough and check out the slushiest and mushiest foods. Pour, mix, stir, splat. Work with paint and other squelchy stuff to create a new gallery space. What will you make? How will you arrange it? How will the gallery make you and your visitors feel? Don't worry about the mess – it'll always wash.</p> <p><b>Street View</b></p> <p>This project teaches children about artwork depicting streets and buildings and focuses on the work of the American pop artist, James Rizzi. They create a 3-D mural based on Rizzi's work.</p>	<p><b>Rain and Sunrays</b></p> <p>This project teaches children about collagraph printing, including how to develop a motif to make single and repeated prints.</p>	<p><b>Portraits and Poses</b></p> <p>This project teaches children about portraiture. Autumn	Spring	Summer
Distortion and Abstraction	Inuit	Line, light and shadows

This project teaches children about the concepts of abstraction and distortion. They study the visual characteristics of abstraction and create a musically-inspired, abstract painting.

**Bees, Beetles and Butterflies**

This project teaches children about sketchbooks, observational drawing, mixed media collage and Pop Art. They consolidate their learning to make a final piece of artwork inspired by bees, beetles or butterflies.

This project teaches children about the Inuit way of life, including some of their cultural and artistic traditions.

**Environmental Artists**

This project teaches children about the genre of environmental art. They study how artists create artwork that addresses social and political issues related to the natural and urban environment. Children work collaboratively to create artwork with an environmental message.

This project teaches children about the visual qualities of line, light and shadow. They explore the work of Pablo Picasso and Rembrandt and are introduced to a range of shading techniques. They take black and white photographs and use pencil, pen and ink wash to reimagine their photographs in a shaded drawing.

**Nature's Art**

This project teaches children about the genre of land art. They work outdoors to sketch natural forms and explore the sculptural potential of natural materials before working collaboratively to create land art installations.
