Dear Parents and Carers,

Across KS1 and KS2, children follow the iSpace Mental Health and Well-Being Curriculum. This has been in place for a number of years and aims to support children growing into emotional resilience young people.

We would like to share with you more about what we teach and strategies that we give to children.

Our coffee morning on Monday 16th will focus on this. It is relevant to parents and carers of children in KS1 and KS2.

The coffee morning will begin as soon as you drop children off, please come into the hall via the main entrance.

9.30am – 10.00 am Online presentation from iSpace staff

10.00am -10.30 am Your child is invited to work with you on an iSpace activity.

We would like children to join with you at 10.00am for an iSpace activity.

If you plan to attend. Please fill in your details and your child's details on this form:

<https://forms.office.com/e/UMbYxm1R2G>
